

Insurance Practice Center on Lexis® Transactional Advisor

Explore the **LexisNexis® Insurance Practice Center**—a one-stop online destination available through Lexis® Transactional Advisor. Discover specialized insurance tools and resources in a single, easy-to-use interface organized to match the daily workflow of today's insurance law practitioners.

At the *lexis.com*® screen, click the **Transactional Advisor** tab. Select the **Insurance** link to reach the practice center. From there you can:

- Track emerging insurance issues
- Analyze policy provisions
- Find coverage analysis
- Create documents
- Research issues related to compliance, liability and damages
- Prepare for insurance litigation
- And more!

Each area of the Insurance Practice Center connects you to valuable resources:

Emerging Issues Analysis—Exclusive to LexisNexis

Track emerging issues and review analysis by insurance law experts. Read analysis of cases, statutes, pending legislation and trends.

1. Select **Track Emerging Issues** (left navigation).
2. Select a topic, such as:
 - Hurricane Katrina
 - Subprime Lending
 - Climate Change
 - Terrorism Risk Insurance Act (TRIA) and Terrorism Coverage
 - Federal Insurance Charter (OFC)
 - Additional Insurance Issues
3. Link from your topic to full-text news, pending and enacted legislation, bill tracking reports, expert commentaries and more. No search words or connectors needed.

4. Alternately, you can use the **Search** box at the bottom of the screen to get targeted insurance news from a variety of sources, including Mealey's™, *The Wall Street Journal*®; the American Bar Association, *Carbon Control News*, *Barron's*®, Dow Jones News Service, Reuters® News, *The Globe and Mail* and a variety of leading newspapers.

Mealey's™ Reports and Documents— Exclusive to LexisNexis

Written by respected experts, Mealey Publications™ cover breaking litigation news in areas including construction defects, reinsurance, emerging insurance disputes, catastrophic loss, bad faith, disability and insurance fraud.

1. Select **Track Emerging Issues** (left navigation).
2. Click a desired Mealey's link below one of the Emerging Issues topic boxes *or* use the **Search** box at the bottom of the screen to research Mealey's Reports Combined.

Miller's Standard Insurance Policies Annotated— Exclusive to LexisNexis

Only LexisNexis provides online access to *Miller's* fully annotated standard policies. Search expert-annotated policy forms with interpretation by state, by topic and even by policy form number. *Miller's* provides an index of more than 2,300 insurance topics with reference to over 10,000 provisions and 100,000 annotations.

1. Select **Find & Analyze Policy Provisions** (left navigation).
2. Go to the **Find Policy Annotations** topic box and click links to search *Miller's Standard Insurance Policies Annotated* by line, policy number and name, or subject.

New Appleman Insurance Law Practice Guide, New Appleman Premium Online Checklists, Current Critical Issues in Insurance Law and the comprehensive Appleman treatise— Exclusive to LexisNexis

Publication of this analytical suite is guided by an elite panel of experts on the Appleman Editorial Board. The step-by-step practice guide takes you through each phase of a coverage case, while online checklists link you to forms and in-depth analysis. The *Current Critical Issues* publication gives you quarterly scholarly analysis of hot topics and recurring issues.

The *Appleman* treatise provides in-depth analysis and case support for a full range of insurance issues and is regularly cited by courts.

1. Select **Find Coverage Analysis** (left navigation).
2. Go to the **Find Analysis by Line of Insurance** topic box and click a link to access *Appleman* and other resources for a specific line of insurance.
3. To search *Current Critical Issues in Insurance Law*, go to the **Find Analysis of Current & Unresolved Issues** topic box and click **More Coverage Issues**.
4. To access online checklists, go to the **Prepare the Case** topic box and click **Checklists**.
